DONNER CENTENNIAL Truckee, Sept. 21-22

DONNER CENTENNIAL Truckee, Sept. 21-22

77th Year, Number 31 | Truckee, Nevada County, California, Thursday, September 5, 1946 | Since 1869

Harold Hodson Is Named Deputy To Work Nights Here

Local Man's Experience Includes Merchant Marine Hitch

Sheriff C. J. Tobiassen announced this weel. the appointment of Harold H. Hodson of Truckee as the full time deputy sheriff to work nights in this district. Hodson Tuesday replaced John Collier, deputy constable, who had been paid by local merchants as night watchman and police officer.

Deputy Sheriff George DeSoto has been here the past few days assisting Hodson in office policies..

The new deputy, who has been in the plumbing business since his arrival here more than a year ago when he was discharged from the merchant marine, has had ample experience in police work to justify his appointment, Tobiassen said. For two and a half years he was supervisor of civilian police at McClellan Field, Sacramento, and prior to that was three years in the navy and three years in the merchant marine.

Hodson is a local home owner and has a good record as a progressive, alert young man.

Tobiassen said he hopes to install an office and other facilities at the local jail, making it a branch of the Nevada County jail for short term prisoners and for carrying on investigations and identifications.

Legion Committee Ready To Aid on Terminal Pay

Keith Weeden, chairman of the American Legion's committee for assisting veterans with their terminal leave pay problems, states that a desk has been set up in F. W. Wilson's Bargain Spot on Bridge Street. There, the necessary forms and instructions are available and the required notary public service is being handled by R. N. Little.

Weeden also announced that Walter N. McCormack, county service officer, will visit Truckee on the last Friday of each month to aid veterans in their problems. His headquarters will be located in the Veterans' Memorial Hall here.

Tahoe Valley Driver Is Cited for Recklessness

Elmo George Wright, 35, of Tahoe Valley was cited for reckless driving in an accident Sunday evening at 9 o'clock at Gateway Motel.

Wright's car and one driven by Milton E. Austin, 28, Oakland, collided and an investigation showed that Wright, who had been drinking, was over the center line of the highway. No one was injured. Patrolmen K. C. Kolb and M. A. Peterson made the investigation.

Norden Post Office to Re-Open Is Indication

Reestablishment of the post office at Norden is expected to be effected in the near future, according to word received from the post office department in asking for applications for postmasters. The only application thus far presented is from Otto Fredericks of the Norden Store who held the position as postmaster prior to his entry into the army. A petition seeking reestablishment was recently approved.

Fredericks said that since he has enlarged the store building at Norden he now has ample space to accomodate the post office.

The old building has been completely remodeled and additions made both to the store and living quarters for the family and employees.

Truckee Tots Celebrate Early Year Markers

Russell Snavely, son of CPO and Mrs. Ralph Snavely, who was a year old on August 31, enjoyed his first birthday cake with his family at the home of his grandparents, Mr. and Mrs. P. Petroni. The wedding anniversary of Mr. and Mrs. Snavely on September 1 was not celebrated due to the fact that he is on naval duty at Pearl Harbor.

A pink and white birthday cake was the center of attraction for Robert Barrett Leamon who celebrated his second birthday on Monday, September 2, at a family party. Refreshments and gifts completed the happy day.

Married—

On Thursday, August 29, Ernest Brown, 59, of Truckee, and Marian Lauter, 35, Los Angeles were issued a marriage license at Reno.

Bicks Traveling—

Mr. and Mrs. R. P. Bick left Tuesday to visit the latter's brother, Vernon Moirill, at Oroville and then will continue to Lakeport to visit the W. H. Laitys.

Donner Reopens—

The Donner Hotel was scheduled to reopen its dining room today following a week's closing for improvements in the kitchen, according to Pete Lazzari, owner-manager.

Donner Trail Is Marked In Area By Forest Men

Centennial Creates Interest In Historic Routes Ranger Says

The Forest Service has completed posting approximately 200 direction signs on the Donner Emigrant Trail and the Forest Hill-Lake Tahoe Emigrant Trail so the public can more easily follow those routes from Cold Stream to the point where the trail crosses the summit south of Donner Peak and from Squaw Valley to the head of the Middle Fork of the American River, reports District Ranger H. I. Snider, who has spent about ten days this summer locating doubtful places along the trails. In open areas where trees were not available to use for sign backing, cedar posts were packed up the mountain on a mule and set for the rustic sign mounting.

Snider hopes to obtain sufficient funds to clear the Donner Trail of fallen trees on the area posted this summer, since the grade is favorable for jeep traffic as far as the summit from Cold Stream and no doubt this old historic route will be traveled more in the future by those seeking recreation trips and desiring to see how efficiently our pioneers selected wagon routes over the rugged mountains, He believes the Tahoe-Forest Hill Trail was the more rugged of the two trails to travel in the pioneer days and finds it is more difficult to determine just how the wagons were wheeled out of the Middle Fork of the American River canyon to the Forest Hill divide, since the slopes and terrain render it almost impossible to take a horse drawn vehicle of any kind over the route at the present time. He plans to make a hobby of studying the history of that route and try to post the points of interest with brief rustic sign notaiton, since the general public does not seem to know much about it.

The Donner Party Centennial event to be held here September 21-22 should serve to revive the interest of our people to review the routes of the emigrants and become more familiar with this colorful part of our western history.

Snider wishes to appeal to the people traveling the trails to help eliminate the vandalism of stealing the signs for souvenirs or to fill a juvenile desire to have one of the signs hung in a room at home, since it requires considerable money and time to have the signs made and posted.

Lions Golf Tourney Set At Lake In Next Week

Next Wednesday the golf tournament of the Lions Club will be held at Tahoe City which the ladies are invited to attend. Following the games, a ladies' night dinner will be served at Tahoe Inn.

The following Wednesday, September 18, there will be a zone meeting in Truckee with clubs from this area represented.

W. C. Gage presided at last night's meeting in the absence of President R. N. Little. Visting Lions were Vernon Stoll of Grass Valley and M. Loveland of Hollywood. Other guests included W. A. Bottel and J. C. Langille of Oakland.

On Hill—

Mr. and Mrs. R. N. Little moved last week into the house they bought from T. B. Hamlin. The property is located back of the high school.

Gordons Visit—

Mr. and Mrs. Scott Gordon of Oakland were in Truckee on Tuesday after they had visited their daughter, Sister Sebastian, who is teaching in the Reno convent. Sister Sebastian was Theresa Gordon when she lived here with her family several years ago.

In City—

Mrs. W. F. Wilkie and Mrs. C. B. White went to San Francisco on Monday.

Home Again—

Mrs. Annie Tonini returned from southern California.

In Capital—

Mrs. Claire Ellert returned from a trip to Sacramento this week.

Principal Returns—

W. J. Martin, principal of the grammar school went to summer school at the University of California and visited his parents at Spokane Wash., returning here last weekend.

Proposed Hospital Eligible For Funds In Building Plans

Truckee's hopes for securing an adequate, modern hospital through cooperation between the county board of supervisors and the state was a bit brighter today following a report from the California Taxpayers' Association that a total of $347,363 is available to Nevada County from the funds voted by the legislature under the California construction and employment act..

The act makes $275,009 available to the county, with $107,451 for roads only and $167,558 for roads and other purposes.

Allocations under the act to the cities are Grass Valley, $50,637; Nevada City, $21,717. Truckee, being an unincorporated area, must depend upon getting a portion from the $275,009 for the county.

Under the terms of the act, $90,000,000 is appropriated to cities and counties throughout the state on a matching basis; a county may apply for funds for roads and highways up to an aggregate of $75,000 without matching.

One third of the total county allocation is for the state's share of cost of rights of way for roads in the unincorporated areas; two thirds to be used for the construction in which there is a state interest, that is hospitals, schools, roads, highways, bridges, flood control, sanatoriums, fire prevention and protection, sewage projects and veterans' facilities.

Truckee has hopes that through this fund sufficient matching money can be obtained from the board of supervisors from the general fund to provide a branch of the Nevada County hospital to serve a long-felt need in this section. A committee comprising representatives from all civic organizations in Truckee is busy trying to arrange the allocations. Supervisor H. G. Loehr has indicated his desire to assist wholeheartedly in the endeavor

Dump Vandals Warned By Sanitary Board Here

Members of Truckee Sanitary District board at their meeting Tuesday night decided that if necessary they will take drastic steps to prevent a continuation of vandalism occuring near and at the district's dumping grounds southeast of town.

F. W. Gaiennie, members of the board, reported that garbage has been strewn about the road leading into the dump and that the hinges have been removed from the gate so that others can dispose of their refuse without supervision. Most of this mischief, Gaiennie believes, is lone by residents of outside communities and he warned that the dump is paid for and maintained only for local use.

"We don't want to be tough," Gaiennie said, "but this practice must stop or we will be forced to take legal action. The taxpayers of the Truckee Sanitary District pay for the upkeep and maintenance of the dump and all are privileged to its facilities without charge beyond their taxes, but we can not and will not tolerate continued abuses."

Gaiennie said that local residents wishing to clean up yards or who have a large collection of refuse may contact Garing McGee, the supervisor, and make arrangements to haul to the dump, but that outside residents cannot be given this service.

Court Fines Hit New Mark for Township

A new record for fines from the Meadow Lake Justice Court was established last month during the incumbent's first month in office.

Justice of the Peace R. N. Little sent a total of $2383 into the county treasurer, with $1500 of this amount being in only three fines.

From traffic violators, Little collected $775 with $500 for a fish and game law violation and $1000 from two convicted bunco artists. The balance was in general court fines.

In Oroville—

P. R. Nelson, former principal at the grammar school, has accepted a position at Oroville.

With Sister—

H. C. Lichtenberger of Roseville is a business visitor here and a guest of his sister, Mrs. Dan Smith.

To East Bay City—

Mrs. E. J. Campbell returned to Oakland with Mr. and Mrs. Ray Slattery.

From Gridley—

Mr. and Mrs. I. Peterson of Gridley were visitors here this week.

.: Sun :. Beams

By WALTER M. BARRETT

Last week the current owners and publishers of the Sierra Sun observed their tenth anniversary in Truckee. During those ten years many changes have come to pass and we are glad to report that most of them have been for the improvement of the town and district. When we arrived Hobart Mills was just closing and the long aces told us that with the completion of Boca dam, which was started shortly after our arrival, the end of the town was in sight. We did not believe it. Truckee and the surrounding areas have too much to offer to be stopped by any single project. We were right, Truckee and the Tahoe and Donner regions have continued to build and progress and we safely predict that this progress will continue from now on. We may have a few minor setbacks. It would be too much to expect otherwise but generally we anticipate that the region has no scratched the surface for its possibilities of advancement.

Two Motorcyclists Hurt Badly on Labor Day

Two motorcycle accidents in this mmediate area sent the riders to hospitals and one, John Charles Weil, 36, Sebastopol, is being held under police guard in the Nevada County hospital as a suspect in an assualt case involving his wife and for failure to provide for his family.

Weil was critically injured Monday evening shortly before 7 o'clock when the motorcycle he was riding west got out of control near the foot of Donner grade and crashed into the rocks. State Patrolman M. A. Peterson brought the injured man to Dr. J. H. Bernard and later he was taken to the hospital.

Constable N. F. Dolley communicated with officers in Santa Rosa and they told the local officer Weil had been sought for some time and asked a close guard be placed on him.

In the second motorcycle accident Clarence L. Bacon, 21, Ceres, suffered serious injuries, including a broken left arm and amputation of his left hand, when his bike failed to make a turn between Big Bend and Cisco and crashed into a rock wall. State Patrolman H. B. Fowler was the first on the scene and rendered first aid, later sending Bacon to the Auburn hospital. Both Bacon and Weil had been attending the motorcycle races near Reno and were returning home.

Four other motor vehicle accidents resulted from the heavy traffic in this district over the holiday weekend, officers of the highway patrol reported.

Tahoe Home Builder to Appear on Fire Count

Gerald Brandt of Ridgewood Tract of Carnelian Bay recently built himself a new house and as he had considerable refuse left over, decided that the easiest and cheapest way to get rid of it was to pile and burn it. He forgot that it is the duty of the U. S. Forest Service to prevent people from starting fires that are liable to get away and burn other's property. so when the large smoke was reported to the forest service dispatcher in Truckee, all available tank trucks were rushed to the scene. Needless to say, Brandt has a date with Judge Evelyn Bliss of Tahoe City.

He was cited by Patrolman Fred White for burning without a permit.

Returns from North—

Mrs. Mary Zunino returned last weekend from a two months' trip to Alaska and Canada.

House Sold—

Mr. and Mrs. Robert Gifford have bought the A. C. Marts house at Gateway Park and will move as soon as the place is vacated by Mr. and Mrs. T. T. Buell who are waiting the completing of changes and re-decorating being done in their house formerly owned by the Earl Johnsons.

Visit Here—

Mr. and Mrs. George Moore of Oakland were here visiting Mrs. Dan Smith on Thursday following a trip to the Feather River.

At Joslin Home—

Mrs. Ora Bartlett and Miss A. Maylott of San Francisco are guests at the R. T. Joslin home while the Joslins are enjoying a trip to Canada. The visitors are sisters of Mrs. Joslin.

Man Drowned In Boat Mishap On Donner Sunday

Stockton Dairy Owner On First Vacation In 11 Years

Hopes for finding the body of Frank Stark, 69, Rt. 2, Box 964, Stockton, drowned in Donner Lake Sunday shortly after noon during a fishing accident, have virtually been abandoned. Because of the great depth of the lake near the middle where the body disappeared, it is believed that it may never come to the surface.

Stark was fishing from a kyak near the middle of the lake which was covered with whitecaps by the brisk wind when he apparently attempted to change position and the small craft capsized. A Mr. Pierce who saw the accident, rushed to the scene in a boat and was within a few yards of the drowning man when Stark went down..

Stark is owner of the Oak Grove Dairy near Stockton and was enjoying his first vacation in 11 years. He was vacationing with his niece, Lolita M. Jordon of Stockton and the other members of his family planned to join them for the holiday.

Coroner Alvah Hooper and his son-in-law Robert Byrns, who were near Donner at the time, aided Coroner N. F. Dolley in the investigation.

Local Residents Control Fire Near Frog Lake

A fire of unknown origin was reported by Martis Peak lookout Sunday morning burning on the ridge south of Frog Lake 13 miles northwest of Truckee. H. E. Hohnston of Frog Lake with several friends was first to the fire, followed by Bryce Euer of Euer Valley. When the Truckee suppression crew arrived, the local men had the fire pretty well under control. There was no material damage done as the fire burned in the duff and rotten wood and burned less than a quarter acre. This fire was reported to the Truckee dispatcher by a United Airlines pilot shortly after Martis Peak lookout sighted it.

Tourist Is Arrested for Throwing Lighted Butt

Forest Patrolman John Torvinen cited R. A. Metayer of Springfield Mass., for throwing a lighted cigarette from a moving automobile this week. Torvinen had to force Metayer off the road to halt him after he failed to stop for the red light or siren. Hearing is set for today in Justice of the Peace R. N. Little's court at Truckee.

High School Enrollment Is High Says Principal

Mrs. Evelyn Birch of Richmond, a graduate of the University of California, is the new commercial teacher at Meadow Lake Union High School. Mrs. Elizabeth Dorr, the principal, reports that 40 students have enrolled for the fall semester with two more expected this week. This is the largest enrollment at the school during the past ten years.

Truck Passer is Cited After Crash on Hill

Thomas M. Davis, 38, San Francisco, was cited for passing a truck and trailer without giving the oncoming cars sufficient clearance last Friday after his car and one driven by Kermit W. Keister, 38, Vallejo, collided one mile west of Norden. Patrolman K. C. Kolb investigated.

Mrs. Florence Keister, 39, suffered injuries and was treated by Dr. J. H. Bernard.

Davis attempted to pass a Lang truck and trailer on a curve and met the Keister car headon.

Leitches Guests—

Mr. and Mrs. D. E. Brown, Diane and Philip Brown of Fresno left on Friday after visiting a week with Mr. and Mrs. A. P. Leitch.

Visitors from South—

Guests at the A. Mahne home the past week were Mr. and Mrs. Jack Sustrick of Los Angeles and Jim and Matt Simonich of San Gabriel.

Employed at California—

Mrs. Harrie Tackett is employed at the New California Cafe as cashier and bookkeeper.

Tahoe Man Held As Woman Killed On Street Here

Spurned Love Is Seen As Possible Motive for Shooting

The death of Mrs. Daisy Griffin, 45, in a Reno hospital last night from a bullet wound is expected to result in first degree murder charges being filed against Lee Garnrer, 49, widely known Tahoe City carpenter, who is in the Nevada County hospital with a self-inflicted wound through his lower left lung.

The double shooting occurred in front of the Shell service station in Truckee yesterday afternoon at four o'clock, and is said to have been the culmination of a thwarted love affair.

Mrs. Griffin, with her niece and the latter's infant child, had stopped at the service station and the former went into the rest room. Garner evidently saw her car parked at the station, drove his own car across the street and waited until she came out. Then, according to witnesses, he seized a high powered German army rifle from the seat of his car and shot Mrs. Griffin at close range through the abdomen.

Garner, the witnesses said, then took a few steps from his car, placed the butt of the rifle on the concrete driveway, bent over the muzzle which was aimed at his heart and pushed the trigger. The bullet missed the heart by inches but penetrated the lower part of his left lung.

Mrs. Griffin slumped to the running board of her car where she sat until nearby assistance was rendered and she was rushed to the office of Dr. J. H. Bernard who gave treatment before she was taken by ambulance to Reno.

Garner protesting that "it's no use to move me, I know I'm finished," was also taken to Dr. Bernard and later removed to the Nevada County hospital where his chance for recovery is fair.

Mrs. Griffin came to Meeks Bay from her home in Texas this summer to care for her niece and the latter's baby. She "went around" with Garner and later said they became "engaged". When she decided against marriage, she said, Garner threatened her and told her that "you will never leave me."

Garner was known locally as a quiet, unassuming person who always minded his own affairs. He had been noticably upset since the death of his wife a year ago. His many friends throughout the district were deeply shocked by the tragedy.

The shooting was witnessed by a large number of people. A crew of highway workers was within a few feet of the shooting and George Kamp and Harrie Tackett were on duty at the service station at the time. Deputies Sheriff George DeSoto and Harold Hodson were among the many observers, being only a few yards away at the time and walking toward the shooting.

Mrs. Griffin is survived by two sons, Sgt. Francis Bradshaw of Fairfield and M. L. Brown of New Mexico. Both are in the service.

Centennial Golfers To Register By Sept. 15

Amateur golfers who desire to enter the Donner Centennial match at Tahoe Tavern links on Sunday, September 22, are advised to register with W. M. Englehart, Jr., tournament director on or before Sunday, September 15. Registrations must be accompanied by entry and greens fees and may also be registered at the chamber of commerce office or at the Sportland, Englehart said.

District Lodge Meeting Here On September 13

W. M. Englehart, Sr., district deputy, announced this week that Summit Lodge No. 54, Knights of Pythias, will be host to a district convention here on Friday, September 13. The occasion will be an official visit from William A. Stanger, grand prelate of California grand lodge. The meeting will convene at 8 PM in the Odd Fellows hall.

OES Meeting Features Brothers' Night in Week

Chapter No. 116, OES, held a brothers meeting on Tuesday evening with the committee composed of the following members in charge of arrangements: C. B. White, D. W. Bowen, H. I. Snider, Don Hansen and Stanley Zwarg. After the induction of a candidate, the members enjoyed a banquet at the New California Cafe.

Visiting Aunt—

Mr. and Mrs. Lawrence Blane of Monrovia were guests of Dr. and Mrs. J. H. Bernard on Wednesday Blane is a nephew of Mrs. Bernard.

Visits Father—

Little Joe Miller has spent a week visiting his father in San Rafael and a week with his mother, Rose Mattos Miller, vacationing in the bay area.

Subscribe to the Sierra Sun.

CARL ROEMER
Beautician - Barber
ANNOUNCES
The Opening of a Beauty Shop In Soda Springs Hotel Room 33
Call Early For Appointment

SUMMIT SCENE

by FRANCES COUILLARD

We went to a birthday party given for Mrs. Albert Barber (Dotty) at Donner Summit Lodge. It was really a grand party with birthday cake, champagne and everything. All the presents that Dotty received testified as to her number of friends. Slim Mayberry entertained the guests on his guitar while we wined and dined.

Another barbecue is in the offing at Ice Lakes. We talked to Fren Thorinson, the owner of Ice Lakes, about his plans for the beautiful spot. The lobby will be a magnificent affair. It has a double fireplace already built and the stairs leading to the rooms will be ascending from the lobby. The cocktail bar will overlook the lake and a large ice rink flooded with light will be in operation both summer and winter.

We also talked to Dolly Dufour the other evening. She says that Herstle Jones' rock palace will be ready to open about the first of November. She was expecting to leave soon to contact decorators in the city, so you can see that they are progressing.

You may be stopped by a flagman anytime in front of Donner Summit Lodge for they are a-blastin' away to get the rocks out of the way for their now addition which is beginning to take shape.

George Fraley is filling in the front of his place at Soda Springs for better parking facilities.

Elmo Moriano did a bit of excavating across the street from Beacon Hill—and we understand he is planning a home there for himself and his future wife.

We had a nice chat with Hannes Schroll the other day, too. Hannes definitely expressed a yen to get back to the mountains although he has a very successful ranch at Woodside down the peninsula.

We also had a letter from Phil Montgomery, another ski instructor, and Phil's letter was damp with homesickness.

The Paul Prom house, being built in back of the Soda Springs Hotel, is really coming along beautifully. When the Proms picked their site there was quite a bit of comment as to the suitability of same. I would say they are very far-sighted, for I took a stroll thru the unfinished building the other day and the site is simply wonderful. From their living room windows they will have a full view of the Soda Springs Ski Hill and the glorious Yuba flows right thru their front yard.

Elva Bruce just returned from the bay area where she pent a lot of time and, according to Barry, a lot of money purchasing things for her house.

Eleanor Johansen—after finishing her painting in a "tizzy"—celebrated by having a house full of guests for the week end.

Mrs. W. L. Hack of Kingvale entertained relatives from Los Angeles and Penryn for a few days. The Beechers of Southern California are descendents Harriet Beecher Stowe of Uncle Tom's Cabin fame, and they tell us that they recently had a letter from Mr. Beecher's aunt in Colorado who is 99 years of age, begging them to come to Colorado to pick up mementoes that belonged to the famous author. Mrs. Beecher is Mrs. Hack's niece.

Sporting Goods Shortage

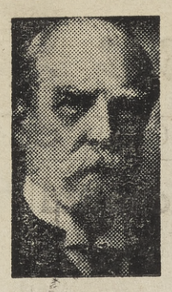
A tremendous boom in fishing, hunting, golf and baseball, together with shortages of material, add up to its being next car before manufacturers can meet the demand.

Strikes have decreased the supply of steel and brass for fishing tackle; bamboo from China won't be available for some time, so dealers will get about 60% of a normal supply in 1946.

Presidential Quiz

By Major Wm. G. Murdock

1. What President's last words were "I die hard, but am not afraid to go"?



Charles Evans Hughes

2. The widow of which President was the victim of a mental illness?
3. What Justice of the Supreme court resigned in order to accept a presidential nomination?
4. Who is known as the "Bachelor President"?
5. What President lost his widowed mother and two brothers due to the hardships of the Revolution?

Answers

1. Washington's.
2. Mary Todd Lincoln. The strain of the war, in which her close relatives were Confederates, some of whom were killed; the death of Willie Lincoln; the killing of the President in her presence, and finally the death of Tad Lincoln, caused a mental breakdown from which she never fully recovered.
3. Charles Evans Hughes.
4. James Buchanan. Cleveland was a bachelor at the time of his first inauguration, but was married the next year.
5. Andrew Jackson.

Placer County Base Tax Set at $1 by Supervisors

Property owners in Placer county will pay a basic tax rate of $1 per $100 assessed valuation during 1946-47. In addition to this, a three cent library tax and a 75 cent per $100 tax for Placer Union High School's budget, eastern Placer county residents are subject to the following taxes:

Donner Trails school district: 86 cents, total $2.58. Emigrant Gap school district: 75 cents, total $2.53. Tahoe Lake school district: bonds and interest, three cents; tax 69 cents, total $2.50. Taxpayers of the latter district within the Tahoe City fire district will pay an addional 40 cents for a total of $2.90.

Tahoe Car Theft Suspects Bound to Higher Courts

AUBURN— William P. Cusack, 23, and Joseph W. Roach, who were arrested in Reno last week on charges of stealing a pick-up truck at Lake Tahoe, were bound over to higher courts by Justice of the Peace Evelyn Bliss at Tahoe City. Roach was certified to the juvenile court and Cusack bound over to superior court.

The men were arrested on a complaint sworn by Glenn Greene, manager of Tahoe Tavern.

Yerba Buena Island in San Francisco Bay contains 140 acres.

Three Birthdays Marked At Kings Beach Party

NORTH TAHOE— A buffet dinner party was given on Saturday evening, August 24, at the home of Mr. and Mrs. Robert Eddy in Kings Beach honoring three men whose birthdays fall on the same day, Aug. 22—James Mandeville, Warden Fields and Sherwood Hall. Mrs. Hall and Mrs. Fields acted as hostesses.

Those attending were Mr. and Mrs. John Clayson, Mr. and Mrs. H. T. King, Mr. and Mrs. Mulford Miles Mr. and Mrs. Karl Bohme, Mr. and Mrs. James Mandeville, Mr. and Mrs. Earl Noel, Mr. and Mrs. Fred Baker, Mr. and Mrs. I. F. Miles, Mr. and Mrs. Clare Walters, Mr. and Mrs. Robert Eddy, Mr. and Mrs. John Galerani, Mr. and Mrs. Sherwood Hall and Mr. and Mrs. Warden Fields.

Scientists have reached the conclusion through astronomical, geological and chemical study that the earth's hard crust was formed not less than 1,600,000,000 years ago.

Protect Precious Eyesight
See your nearest lamp bulb dealer today. Get the bulbs you need to protect your family's eyesight.

Fill Empty Sockets — Put in Right Size Bulbs for Easy Seeing

Tonight, look around at the lighting in your home. If a lamp or lighting fixture seems dim, look at the light globe. If it is darkened with age and use, it is not giving you the light you are paying for and will soon burn out. Then count the empty sockets and the small-size bulbs that were put in temporarily some time ago.

Make a list of the lamp bulbs needed to restore bright, new lighting throughout your home. Take this list with you when you go shopping. You will find the lamp bulb supply is now plentiful. Good lighting is inexpensive. Use plenty of it.

Living Room. Protect your family's eyesight. 150-watt bulb is right size for many reading lamps.

Kitchen. For that overhead light in the kitchen you need at least 150-watts. Be sure you get right size lamp bulbs.

Child's Study Lamp. Young eyes are too precious to risk. Better get a 150-watt bulb for your child's study lamp.

Susan Is Two

NORTH TAHOE— Susan Worthing of Aurora, Illinois, celebrated her second birthday on August 28 at the home of her aunt and uncle, Mr. and Mrs. Gene Gibbs in Woodvista. Cake and ice cream were served. Friends bid to the party included David Gibbs, Marvin, John and George Gallerani.

NO. TAHOE SCHOOL TRUSTEES ACT TO RELIEVE CROWDING

NORTH TAHOE— At a meeting of the board of trustees of the Kings Beach Elementary School, held on August 29, it was decided to erect a temporary structure on the school grounds to alleviate the overcrowded conditions of the existing building. Estimates received from several contractors were triple the original estimate for the proposed new classroom.

Rather than endanger the complete building program of additional classrooms and auditorium as planned at the time of the bond election, it was decided that this would be the most practical solution of the problem.

School will open on September 10 and classes will be conducted on a shift basis until suitable housing can be secured. Marian Miller and Sara Ernst will again be the teachers.

Mrs. Susie Hatley of Fresno has been the houseguest of Mr. and Mrs. George Gates in Tahoe City. She remained for two weeks.

Tahoe Lake School Column

Elementary school grades enjoyed vacation on Labor Day.

Miss Barbara Woolley, daughter of Mrs. Albert Boge of San Francisco and Tahoe, who has been attending Tahoe Lake School this summer, has left for the city where she will enroll at George Washington high.

Al Bequette, superintendent-elect of Placer county schools, accompanied by Louise Langenbach, supervisor of instruction from Auburn, were visitors at Tahoe Lake School on Thursday last. They discussed problems relative to the proposed new course of study.

Present enrollment at Tahoe Lake grammar school is 83, with 52 of these members of the upper grades and 31 in the primary.

Members of the Tahoe Lake School Council are as follows: Clayton Frey, primary department; Jay Stuart, 4th grade; Diane Robertson, 5th; Robert Hursey, 6th; Collette Morhain, 7th, and Jack Callahan, 8th grade.

On Friday last the first general school assembly was held, the student council discussing fire drills, library service and standards for common school courtesies.

A visitor at the school last week was Stoddard Vernon, who was accompanied by his son and mother, all old time residents of the Tahoe area. When Stoddard was a little boy, his family were caretakers at the Pope estate and because there were no schools or children in his neighborhood in those days, he had to board and room in Tahoe City during the week, returning home only for weekends. Today, the south end of Tahoe has a fine school and an estimated 100 pupils attending.

Constable Finds Trouble Comes by Twos at Tahoe

TAHOE CITY— Constable Harry Johanson recently arrested Lee Harris and Bob Dennis of Kings Beach on charges of disturbing the peace on August 27. Both are out on bail of $300 but will appear for a hearing in the court of Justice of the Peace Evelyn Bliss in Tahoe City this week.

Johanson has also sent out descriptions of two boys, about 16 or 17, who on August 30 rented a sorrel and a pinto horse from the stables of Shasta West at Brockway. They failed to leave their names and it cannot be determined whether the boys met with an accident or whether they attempted to steal the horses. One wore a checkered shirt and the other a red wool one and both were well dressed. Any information on the pair should be delivered to the constable.

Mr. and Mrs. G. A. Kirk of Marysville have left for their home following a visit at their Timberland Tract home. They purchased the Merz and Hemstreet house last year.

TAHOE FISHERMAN FORECASTS SPOTTY LUCK FOR MONTH

TAHOE CITY— Waldo Gross of Lake Forest, who has proven his knowledge as a fisherman by bringing in limit after limit of fine fish all summer, this week warns that fishing will be "spotty" for the next 30 days as the fish are now in the spawn stage. He predicts fishing will again improve around the first week of October here.

One of his beauties, recently exhibited at Anderson's Village store, a 9½ pound mackinaw, was caught on the shoreline near Tahoe City. He used live minnow bait behind a Jensen "Ford Fender" lure.

One of the largest mackinaw of the season was caught recently near Rubicon Beach by Boyce Macnaughton of Pennsylvania, who is employed at the Rubicon Beach summer home of the Pennoyers. It weighed 13½ pounds and was reported to have been taken with live minnow bait.

Jim Wilson of Tahoe Cedars recently made a hike to the Vellmas for a day of fishing but found the weather too cold and windy for the fish to rise to the bait. Coming home without fish was a novelty for Wilson.

Mr. and Mrs. Art Sather have had excellent fishing luck at their lakeside home at Homewood all summer. They have caught at least 15 rainbow trout ranging from 8 to 12 inches from the pier and Mrs. Sather caught the largest, a six pounder, one one of their expeditions.

North Tahoe Couple Joined by Double Rings

NORTH TAHOE— At a double ring ceremony at the Outdoor Chapel in Tahoe City, Betty Mae Hall became the bride of Hearschel Hill. Bishop Noel Porter officiated.

The bride, who was given in marriage by her father, Sherwood Hall of Kings Beach, wore a gown of bridal satin fashioned with a hand-embroidered bodice and full skirt of net. A finger-tip veil was hed in place with a head piece of two doves and the bouquet was gardenias and borardia.

Norma Peterson, bridesmaid, was frocked in a peach satin gown and carried a bouquet of small pink roses. The best man was Byron Abbott.

Jessie Royston of Kings Beach sang "O, Promise Me" and "Because" before the ceremony, with Elizabeth Woods of Berkeley as accompanist on the organ.

A reception was held at the home of Mr. and Mrs. H. T. King.

The couple left for Sacramento for a few days but will have a honeymoon in Mexico City and then return to the capital city where they will make their home.

The bride i the daughter of Mr. and Mrs. Sherwood Hall of Kings Beach and the benedict the son of Mr. and Mrs. J. P. Hill, also of Kings Beach.

Daughter of Tahoeite Dies In Cycle Accident

TAHOE CITY— The sympathy of his neighbors is extended this week to "Bake" Bense, Homewood fisherman, whose daughter, Doris, 18, was killed in an accident on the highway on Sunday of last week while riding a motorcycle. She is well known at the lake, having worked in many of the resorts here. Her father has been coming to Tahoe for many years. Burial was in Gridley on Thursday.

WINTER WATER IS ASSURED CITIZENS OF NORTH TAHOE

NORTH TAHOE— North Tahoe Community Club held a meeting on Wednesday evening, August 28, at the Carpenters Hall which was attended by over a hundred persons.

William Kline, president of the club, and Bob Robbins held a conference with H. O. Comstock of the Brockway Water Company on August 24. Comstock agreed to furnish water for the winter months, providing at least 100 residents subscribe for the service at a reasonable increase in the rate.

Year 'round water service has never been available in this area and it is estimated that more than the 100 residents required will be willing to subscribe. Persons who wish to sign up for the winter water service may do so either at the Tahoe Electric Company, Brockway Shops, Kings Beach or at the Wm. Kline residence in Kings Beach.

TAHOE BRIEFS

The level of Lake Tahoe on Monday morning stood at 6228.06 with 250 CSF of water leaving the gates in town. High temperature of the week was on the 26th with 77 recorded and coldest was 35 on the 30th.

One elated young lady at Tahoe last week was Miss Pege Stuart of Lake Forest who received a lovely, belated graduation gift from Weisbaden, Germany. It was from PFC James D. Baker and the gift was a bottle of choice French perfume which arrived in perfect condition. Incidentally, we somehow deleted Pege's name from the list of guests at the Ables-Prusso engagement party last week at Forest Inn so we hasten to add it now. Pardon, Pege?

Mrs. D. M. Brodehl of Tahoe City has left for Oakland where she will spend a week looking for a house in which to live for the winter months with her husband. She accompanied Mr. and Mrs. Jess Vickery of Woodland back to Lodi on Sunday where she will visit with their son and family, Mr. and Mrs. Ewald Brodehl, before continuing on to Oakland. The elder Brodehls recently sold their Tahoe City home to their daughter and her husband, Mr. and Mrs. Milton Shontz.

Mr. and Mrs. F. J. Coddington of Yerington, Nevada, who have been ferquent visitors at Tahoe over weekends all summer, on Sunday were guests at the home of Mr. and Mrs. Stanley Martin of Tahoe City. Mrs. Stanley Martin of Tahoe City. Mrs. Alice Martin, Stan's mother, who has been visting the William Argoods at Tahoe Vista most of the summer, left for her home in Reno on Sunday.

Dr. and Mrs. Marshall Cowden of Woodside left on Monday for home following a two weeks vacation at Brockway. Mrs. Cowden is the former Jona de Benedetti whose parents owned a lovely summer home on the lakeshore in the Sunnyside district of Tahoe.

The Women's Club of Tahoe is meeting on Thursday, September 5, to make final preparations for their part in the Donner Centennial in community hall in town. They are sponsoring Miss Peg E Stuart for queen and are planning to enter a float in the parade.

Mrs. William T. Reid, Jr., of Homewood entertained at luncheon and bridge at the family home near the lakeshore on Saturady last. Guests who shared her hospitality were Mrs. Arthur P. Crist of Dollar Hill, Mrs. William Lambert of Tahoe Park and Mrs. William Mooney of Brockway. The previous Saturday she hostessed a similar bridge luncheon, guests attending including Mrs. Howard Johnston of Lake Forest, Mrs. Regula Bernays and Mrs. Crist.

Miss Barbara Stoddard, daughter of the A. C. Stoddards of Lake Forest, left for Watsonville last week after having spent the summer here with her family. She has enrolled at the Monte Vista Christian School for a pre-nursing course.

A popular rendezvous at Tahoe for many of their friends is the attractive lakeshore summer home of the Art Sathers of Auburn. Among those who remained for a week or more were Mr. and Mrs. Tom Whittemore of Chico, Mr. and Mrs. Tim Burke and Mr. and Mrs. Howard Shroder, all of Auburn. Other recent visitors included Mr. and Mrs. Jack Jeffreys, Johnnie Frances, Vic Cassidy, Mr. and Mrs. Al Duncan, all of Auburn; Mr. and Mrs. Bill Whipple and party of friends of Roseville; Mr. and Mrs. Harold Snider of Pilot Hill, Mr. and Mrs. Art Rowe of Reno and Mr. and Mrs. Henry C. Bradbury of San Leandro.

Harry Johanson, secretary of the Placer County Planning Commission, attended a meeting in Auburn on August 30 at which time the commission approved the changing of the status of a block in Kings Beach, starting at the Richfield station and extending to the Walsh Plumbing Shop from residential to commercial.

Houseguests at the home of Dr. and Mrs. Lee Hand in Timberland Tract over the week were Dr. and Mrs. Harold Hand of San Francisco and their three children, Ned, Donna and Dolores. A weekend guest of Lee Hand Jr. was a former classmate, Tom Getchell, also Miss Pat Gregory, whose parents have a summer home at Carnelian Bay.

The Henry Soll home in Tahoe Pines was filled with company over the past weekend, guests including their two daughters, Mrs. Norman Dewhurst and husband of Berkeley and Mrs. Louis Gerkin and husband of Sacramento, as well as Bill Larson of San Francisco. Sunday visitors were Mike Makala and Roy Larson of the Ehrman estate.

Mrs. Sidney Ehrman and her grandchildren left Tahoe and their spacious lakeside estate, Pine Lodge, for San Francisco on Tuesday after having spent the better part of the summer at the lake. Mrs. Claude Lazard, daughter, of Mr. and Mrs. Ehrman, is a patient at Children's Hospital in San Francisco where she is undergoing medical attention and a period of rest.

Mr. and Mrs. Sherwood Prusso and daughter, Judy, have left Tahoe for Long Beach where they plan to spend the winter. Don Prusso will join them this week.

Mrs. Norman Mayfield has returned to her home in Tahoe City following a visit in Sacramento where she received medical care for a badly broken hand and wrist, the result of a fall at her Tahoe home some time ago.

Mr. and Mrs. Henry C. Bradbury of San Leandro have been summering at their home in Tahoe Park.

SUMMIT SCENE

by FRANCES COUILLARD

As everyone knows the weekend was terrific. And as if the weekend business wasn't enough for the mountain, everyone gave parties or went to parties.

The Arthur Merrill Borwns entertained the Dennis Joneses at the Sugar Bowl. Also the Proms. Then the Proms entertained the Browns and the Joneses. Then the Joneses entertained the Browns and the Proms—all within a scant few days.

As Labor Day holiday is always the signal for the official summer season end on the mountain, it looks as tho' the folks put off their party makin' until the last minute.

Colonel Bill Rutherford and the Horaks, Bud and Betty, could be seen scooting out of Donner Summit Lodge on Sunday evening, Auburn bound, where they were invited to a wing-ding.

Ernie and Irene LePire from Tahoe City came to visit the Whitey and Bertha Benham couple over at Soda Springs. Seems like these couples were married on the same day and an anniversary party was in the offing.

We saw practically half of the ski crowd up here this last weekend. All the ground needed was a white blanket to call forth the skis. We have noticed that our winter gang are coming to the high Sierra more and more during the summer of late. If we don't encourage the younger generation to ski a bit we won't have any winter business after awhile for all of our winter customers, taking to the hills as it were for the summer, are contemplating cabin building.

Herbert Frederick, Norden Store, is getting all set to open. We haven't seen the inside of the building as yet but the outside is certainly a big improvement over the old store.

Shirley Brown celebrated her 18th birthday at the Soda Springs Hotel where a lovely dinner party was given. If this party had been served in the Palace Hotel or the St. Francis in San Francisco, it would have rated at least a column, for the table was crowded with pre-debutants. The group included Shirley, Peggy Garland, Dr. H. Garland's daughter; the Schlessinger miss, Paula Prom and several others whom the society editors would know. We oticed, the day after the party, that all the guests had definitely taken on a more mature mein.

::

Last Swimming Event Of Season at Tavern

TAHOE CITY— The last swimming exhibition of the season was held on Monday, Labor Day, at the Tahoe Tavern pool before an estimated audience of 600 persons. Albie Berg's orchestra was on hand to furnish music for the water ballet performed under rthe direction of Harry Pierson, tavern swim coach. The San Francisco Olympic Club sent Roy Taft, Henry Johnson, John McCormack and Clyde Diaz, who put on a grand show of exhibition diving and swimming and there were night-shirt relay races which amused the spectators.

Pierson left on Tuesday morning for his home in Pasadena.

::

Callenders Sell Lodge: Remain at Lake Tahoe

TAHOE CITY— Mr. and Mrs. Ben Callender, former owners of The Hut at Homewood, who sold that resort and took in the exchange of monye and property, Waleswood Lodge in Tahoe Park, have now sold Waleswood. New owners are Mr. and Mrs. Stanley Bolton of Los Angeles, who are the parents of two daughters 15 and 16 years of age. The Boltons arrived on Saturday to take over their new property and the Callenedsr moved on Saturday to a cabin near Cedar Crest belonging to Peggy Christianson. They plan to remain for an indefinite period there before beginning their winter vacation.

BOLD BEAR RAIDS ICE BOX OF HOME ON LOCAL RIVER

TAHOE CITY— Seems the bears of the Truckee River following a story we ran about one who annoyed Leisel Myers a week or so ago have now acquired a flair for publicity and are vying for top billing in the Sun.

Mrs. Kitty Foster, whose summer home is situated down the river near Taft's, not long ago went to the door to greet her grandson who was returning around midnight in his car. And well it was that grandson came home just when he did. For the back porch was a mess, thanks to a powerful big bear who made himself at home in leisurely fashion. Nor was he dumb either, for he managed in some unknown fashion to open the door on a large storage refrigerator kept on the porch and filled with food. His first little trick was to pull out the refrigerator trays and help himself to a package of frozen peas which he appeared to relish. Then he tried a similar package of asparagus, the tatse of which he did not enjoy, so he scattered it around the floor. Next came a delicious homemade fresh peach pie, which grandson had been requested NOT to eat, as it was being saved for expected company that night. Next on the menu was half a watermelon which appeared to serve as an excellent dessert, much to his iking. He tore out another tra and crumple it all out of shape and evidently was about to devour all the bacon and ham and eggs when grandson, Murray Foster, Jr., put in his appearance, much to the gratification of his family.

It would serve those bears right if someone tried leaving out a nice big hunk of meat some night—just covered with red pepper.

::

A "year without a summer" occurred in 1816 when killing frost and snow were reported every month of the year in New York, Pennsylvania, New England and even as far south as the Virginia mountains. According to one theory, the cold was caused by great quantities f volcanic dust in the air which prevented sufficient sunlight from reaching the earth.

BISHOP PORTER GOES TO PHILADELPHIA TO BE AT CONVENTION

TAHOE CITY— On Saturday Rt. Rev. Bishop Noel Porter of Sacramento and Tahoe's Episcopal diocese will leave for Philadelphia where he will attend the conclave of Episcopal Bishops who gather every three years from all the states of the Union. He plans to return to Truckee by September 22 in time to deliver the invocation and benediction at the Donner Memorial Centennial after which he will return to his Sacramento parish for the winter.

The last regular services of the summer season at the Episcopal Outdoor Chapel of the Pines were held on Sunday last, September 1. On September 8 a half hour of organ music will be played between 11 and 11:30 AM for any who wish to attend.

On Sunday last Bishop Porter had the pleasure of baptizing their small grandson, Theodore Noel Rauh, child of Captain and Mrs. Herman Rauh, former residents of Tuscon, Arizona, who are now planning on settling in California. Water used in the service was brought from the Biblically famous River Jordan, an honor bestowed upon all six of the grandchildren of Bishop and Mrs. Porter.

Deer Kill Record in '46 Seen by Game Official

"California hunters have taken 6,206 deer during in 16 days of the season now open," reports George Hunter, chief of the buerau of game conservation, division of fish and game. The five leading counties are Mendocino, Lake, Sonoma, Glenn and Los Angeles,

In 1945, 5,197 deer had been taken by the same date but some districts had been open for 22 days, while two other areas had been open only for 12 days and 8 days. A new record will probably be made for the total number of deer taken this year.

Decisions

By GEORGE S. BENSON
President of Harding College
Searcy, Arkansas

Looking Ahead

MEN AND nations gain or lose by the quality of decisions they make. Founders of this remarkable republic made a wise decision long ago, in favor of personal self-reliance and individual achievement. America is great today because so many smart people were left free to do as much as they could, as well as they knew how, and gain as much of a reward for themselves as they were able.

People may orate about America's greatness coming from her vast natural resources. The resources exist all right but the redskins had them before Columbus came and didn't know the use of a wheel. Some people boast of this nation's blueblood heritage. It was good. Our forbears, in large part, came from Europe. That was probably the smartest thing most of them ever did.

Greatness In Liberty AMERICA'S economic system is what made America great. It is a system of liberty giving every man the right to pick what he wants and go after it hammer-and-tongs, get it if he can and enjoy it to the extent of his capacity, so long as it does not trespass the rights of somebody else. It is a sprightly and dynamic economy, quickly adjustable to changing times and conditions.

Limitless opportunity and keen competition have borne a rich harvest. Our farmers live better than the peerage of some foreign lands. Our laborers have more than workers in other countries ever have had at any time. America has 7% of the world's population and 80% of the world's automobiles. We send more children to high school and college than all the rest of the world combined.

Opportunity Stimulates DURING the last two years of World War II, from a startled start in December 1941, America made more war materials than all her allies and her foes put together. An American carpenter can buy more with his pay for a day's work than any other carpenter anywhere — 2½ times as much as a carpenter in Germany or France. And the same goes in all trades; the butcher, the baker and the street-car conductor.

Freedom of opportunity fires everybody to try; thus men of great genius come to light and the whole nation benefits. Then competition between men of special ability stimulates them to zealous effort in developing products of excellence at fair prices to develop and hold profitable markets. This enables America's middle class to enjoy luxuries unknown to run-of-mine kings.

Mass production for volume sales demands fine and expensive tools. Buying this machinery calls for capital investment — averaging $6,000 per industrial job in the United States. The thing that made America great was a decision to be free: Free to work, free to think, free to earn, free to save and free to invest and make a profit. It is called Free Private Enterprise and it's too valuable to lose.

QUOTES OF THE WEEK

"I have a weakness for helping people."—*S. C. Perry, Indianapolis, pleading guilty to embezzling* $143,000.

"It'll help put my Bible school over the top."—*Sgt. Alva York, Pall Mall, Tenn., striking oil on his farm.*

"American workers don't want a government red-tape artist to substitute himself for the employer."—*Intl. Rep. Robert J. Watt, AFL.*

"In our country the luxuries of one decade become the necessities of the next."—*Pres. Robert R. Wason, National Assn. of Manufacturers.*

"Genuine collective bargaining should involve a determination by both sides to resolve disputes and reach agreements."—*The Labor Union, Dayton, O.*

"High school seniors have encountered certain shortages, but none in the advice department."—*Indianapolis News.*

The Weather Bureau in New York City answers an average of 40,000 telephone inquiries per day. The all-time high was September 14, 1944, with 143,492. It was the day of a hurricane.

A tattered remnant of the American flag that flew at Corregidor was hidden away by two brave men during the Japanese occupation and flies today on the Pentagon Building in Washington.

by WILLARD CARLTON

This last session of Congress appropriated $33,166,346,163 to run the government in the fiscal year which began July 1.

This means, in opinion of some experienced legislators, that the country will incur a substantial deficit for the 17th consecutive year. Estimates of the deficit run as high as $12 billion.

The $33 billion figure, of course, is not entirely complete. Additional funds will have to be appropriated under terminal leave legislation for benefit of enlisted men in the armed services. The President has requested an appropriation of $2.7 billion for this purpose. Also, deficiencies may arise next winter.

Strong Effort Pledged

While the $33 billion total was the official estimate of the House Appropriations Committee, Republican members insist that the total should be about $39 billion, if appropriations and other commitments are added in.

The Administration is committed to a strong effort to balance the budget in the fiscal year which ends next June 30. This would be possible only if expenditures should run far less than the appropriations and if tax receipts should rise to new high levels.

Appropriations for the Army total more than $7 billion, while those for the Navy total more than $4 billion and the rising cost of veterans' benefits make a sizeable figure in the appropriation totals.

Capital City Woman Is Fined by Judge Bliss

Mrs. Carter Grant of Sacramento was cited September 1 by U. S. Forester Patrolman Fred White for building a campfire without a permit along Truckee River about two miles north of Tahoe City. She appeared before Justice of the Peace Evelyn Bliss of Tahoe City who assessed a fine of $25.

Mrs. Elizabeth Millar Wilson, postmaster at The Dalles, Oregon, was the nation's first woman postmaster, an appointee of President Grant.

HUNTERS URGED BY SAFETY CHIEF TO TO OBSERVE RULES

The hunted animal is not the only victim during the hunting season, says Julien H. Harvey, managing director of the National Conservation Bureau. Each Fall thousands of men and women who go into the woods to hunt are carried back out wounded dying or dead. Scores of others are luckier—they are merely maimed.

"This needless destruction of human life can be prevented," the chief of the accident prevention division of the Association of Casualty and Surety Executives declares. "Our hunters must decide whether or not human life is of more value than one or two extra deer or partridge.

"The hunter who blazes away whenever he hears a sound or glimpses a movement in the underbrush is criminally careless. In fact, carelessness and over-enthusiasm lie at the root of most of our hunting tragedies.

Hunting Precautions

"If all those who go on hunting trips this Fall would observe the following few simple precautions our 1946 hunting accident carnage will be greatly reduced," Harvey said.

1. Wear clothing whose color contrasts as much as possible with the foliage. Red has been proven the best color. A red cap, jacket or shirt may save your life.
2. Don't drink while you are in the woods. Liquor and firearms don't mix.
3. When climbing fences or other obstructions either unload your gun or be sure the safety catch is on. Always unload a shotgun.
4. Keep your gun pointed away from your partner or companions at all times. When walking with a group, carry your gun over your shoulder, muzzle upward, instead of slung in the crook of your arm.
5. Protect your general physical health while outdoor. Don't over-exert yourself, change wet clothing promptly and get plenty of sleep at night.
6. Don't snap-shoot on the spur of the moment. Every time you fire your gun, know beyond doubt what you are shooting at. It is better to come back to camp minus a deer than carrying a wounded man over your shoulder.

America's finest and largest collection of rhododendrons is in San Francisco's Golden Gate Park.

Tahoe Letter

From SWANEE

Tahoe City, California.
Sept. 2nd, 1946

Dear Tahoeites:

Write you on Monday, Labor Day, this week, and while the sun shone quite brightly earlier this morning, the sky is becoming overcast and white clouds dot the blue heavens. The day is much cooler than yesterday and somehow, while there are plenty of visitors on our fair shores, the crowd is not too large. Looks like a rain storm might be the order of the day before nightfall.

At our menage company brightened the weekend and Sunday, with dinner guests yesterday including daughter Marie, husband Bill and little Bill, the Al Wilsons of Oakland, Mr. and Mrs. Eric H. Druhn of Sunnyside and Mr. and Mrs. Harold Ambrosch of Meeks Bay joining the party later in the evening. Mr. Ambrosch, who has been showing movies all summer at the lake, brought along his machine and showed us some of his latest winter movie photography, which was beautiful and included was a film showing the progressive loss and replacement of the antlers of a buck, a most unusual film. The Ambroschs have purchased a lot in Timberland Trac and plan next year, if building restrictions have been lifted, to erect themselves a lovely new home, thereby becoming our near neighbors. They also left us one of their exquisite color enlargements of Tahoe, these having been featured all season at different shops around the lake. They leave for their home in Glendale this week.

Am indebted once more to Mrs. C. F. Edwards for the names of our new neighbors who are building the beautiful new house overlooking the lake at Sunnyside Beach. The Giguiere famiy have seven children, five boys and two girls. Of this number, the two girls were both in the services, Carol having served as Seaman 1st Class and Betty as a Corporal. Son Joe, like Carol, was a S1c and son Charles a Corporal....The Edwards left for Beverly Hills and their winter residence on Sunday and are eagerly anticipating next spring, when they hope building restrictions will have been lifted, permitting them to build their new home next to the Giguieres.

Was pleased to learn the Cpl. David Bienert, who was stationed in the China theater for so many months, has returned to the States and is now at Letterman Hospital in San Francisco. His mother, Mrs. Meta Renner of Tahoe City, recently made a trip to the city to visit with him. She found him in good spirits, but still under treatment for rheumatic fever. He will be confined for some time to a hospital for continued medical care but we'll wager he's mighty glad to be back in the good old USA.

Learn this morning from Mrs. Bliss Hinkle that son, Dick, who has been marking time in Norfolk, Va., is now at Treasure Island where he is undergoing the mustering-out process as a sea marine and will be home on Friday. He has undergone a most satisfying and interesting experience during his months of service, as he sailed the seven seas and annexed a lot of knowledge relative to far off places. He will probably rest and enjoy life for a few months before entering college.

Was sorry to learn that the Ed Wagners, former owners of the present Lake Pines Court in Lake Forest, have both been critically ill in an Auburn hospital. Mrs. Wagner writes friends here that she is now much improved and able to be at home once more, but Mr. Wagner is still in the hospital were penicillin shots are being administered regularly. His illness is believed the result of a stroke suffered in 1941. They miss Tahoe and send best wishes to their many old friends here.

Mrs. Margie Smith who is anticipating the arrival of the stork almost any moment now, fooled her husband and family last Wednesday evening when she entered St. Mary's hospital in Reno for a checkup. All indications pointed toward some definite news before morning but Margie returned home on Friday night, sans a baby, but with a return engagement slated for the very near future.

Mrs. Roy Stark phoned me today and gave me a bit of information about son Bob who is with the navy at Newfoundland. Seems S2c Bob had quite a distinct honor shown him last week whe he was one of six men selected from a total of 600 to attend radio school. They have six hour classes daily, and of the original six there are but three left at this writing. Bob sas it is pretty nerve-wracking and he wonders sometimes if he will stick out the six months of radio school. He likes the country where he is stationed and says the navy provides some woderful relaxation for the boys in service, including a nifty little cabin where they can check out fishing and hunting equipment on their time off. He likes it fine, but says the hunting especially makes him lonesome for Tahoe. He sends along his best to all his old buddies and signs off his letter to his folks, "your dit-dah son, Bob".

Another boy who saw 42 months of overseas service in Africa and Italy was Kenneth Cook of Oakland, who with his wife and father and mother, Mr. and Mrs. Willis A. Cook of Reno, enjoyed the weekend at the Timberland Tract summer home of Mr. and Mrs. M. A. Lopes. The elder Cooks are well known at Tahoe as they conduct a business in Reno. Mr. and Mrs. Lopes left for their home in San Leandro early in the week but hope to return later in the season.

Another family which departs for the summer on Thursday is the Earl F. Walkers, both instructors in the Santa Barbara schools. On Friday last hubby and I were their guests and during the evening, she read some of my poems and gave me her august counsel. We later enjoyed a tasty snack before the fireplace and rounded out a very pleasant visit.

Wind up for this week and can't help but express a bit of relief that the busy summer season is nearing its close. It's pretty hectic for about five months, as we who are year-round residents look forward to deer and duck seasons, always just ahead when summer ends. Hope this finds you all right in the pink and the best of al good wishes to you all. As ever, Swanee.

North Tahoe News . . .

by MADELINE GALLERANI

Mr. and Mr. George Taft of Tahoe Vista were recent visitors in Sacramento.

Dr. and Mrs. Melvin Somers of San Francisco left on Monday for their home after spending several weeks here.

Mr. and Mrs. C. E. Mandeville of Kings Beach spent the weekend in Grass Valley visiting with friends and relatives.

Mr. and Mrs. Frank Worthing and daughter, Susan, of Aurora, Illinois, left Wednesday for their home after a ten-day visit with Mrs. Worthing's mother, Mrs. Glessner, and Mr. and Mrs. Gene Gibbs, brother in law and sister of Mrs. Worthing, at their home in Woodvista.

Mr. and Mrs. A. Questa and sons, Gary and Gene of Sacramento, spent the holidays at the home of Mrs. Questa's parents, Mr. and Mrs. J. V. Riolo, of Kings Beach.

Wallace Edwards of Woodvista spent four days in Fallon visiting with friends.

Mrs. Leo Marthaller of Carnelian Bay is a San Francisco visitor this week.

Mignon Redinger of Kings Beach returned on Friday from Williams where she has been visiting her father, Fred Redinger, Sr.

Mrs. I. F. Miles and Mrs. Clare Walters of Brockway were summoned to the bedside of their mother, Mrs Lydia Roundtree in Lincoln. Mrs. Roundtree suffered a partial paralysis of the left side.

A daughter was born on Sunday, August 25, in a Sacramento hospital to Mr. and Mrs. Thomas Lucas of Roseville, also proprietors of the Lazy L Court in Kings Beach.

District Attorney Ward Sheldon and family of Nevada City and family are at the Kings Beach resort.

Mrs. V. O. Peterson of Tahoe Vista received the first letter from her son, Bill, since his departure for Japan a month ago. He is in Okinawa now but is expecting to be on the east coast soon.

L. C. Wilson of Stockton and representative of the Utah Woolen Mills spent a week in this area.

Mrs. Gene Gibbs left on Monday to Paso Robles and plans to return this week to her home in Woodvista.

Bay Area Accident Involves Tahoeites

TAHOE CITY— Mrs. Merle Brusso, 23, of Vallejo, her mother, Mrs. Florence Herman, 61, of Roseville and little Carol Black of Newcastle, niece of Mrs. Brusso, all of whom were injured in the 25 car crackup on the Eastshore Highway in the bay region on August 28 are well known at Tahoe as the family owns a summer home just north of the Fleishhacker estate of Idlewild.

Mr. and Mrs. Theodore Schlueter, who are friends of the family, declare they received a card from the Brusso family in July indicating Mrs. Brusso had given birth to a little daughter on July 26. Their many friends at Tahoe are relieved to learn that their injuries were not as serious as they might have been, although serious enough. Mrs. Brusso's most severe injury was a broken nose and little Carol was believed to have sustained a fractured skull.

New Store Manager Is Welcomed in Tahoe City

TAHOE CITY— Tahoe welcomed last week Mr. and Mrs. Basil T. Kehoe Jr., and their children Basil T. III, William Joseph, two in January, and baby Michael Patrick, former residents of Lodi. They will manage Atherton's Grocery Store, recently purchased by the elder Kehoes of Sunnyside. Herman de Fries, who has been employed in the store for many years, will remain on with the new management. Incidentally, Herman is confined to his bed indefinitely with a siege of mumps.

FISH, GAME OFFICIAL TELLS NEW RULES FOR MIGRANT BIRDS

Official state and federal regulations on taking of migratory game birds are announced by Emil J. N. Ott, Jr., executive secretary, fish and game commission. "Sportsmen are urged to carefully check these regulations as radical changes have been made in seasons, areas, bag limits, and shooting hours," says Ott. "The commission s printing the 1946 rules, and hunters may soon obtain copies from the division offices and license agents.

Open Seasons

Ducks, geese, mudhens (waterfowl): October 26 to December 9, inclusive, except in counties of San Bernardino, Riverside and Imperial, open November 23 to January 6, 1947.

Doves: September 1 to October 30 nclusive, except Imperial County, open September 28 to October 30, inclusive.

Pigeons: September 1 to September 30, inclusive.

Shooting Times

Waterfowl: one half hour before sunrise to one half hour before sunset.

Doves: September 1, 12 noon to sunset, remainder of season, one half hour before sunrise to sunset.

Pigeons: one half hour before sunrise to sunset.

Bag Limits

Ducks: daily limit 7 in the aggregate of all species but not more than one wood duck. Possession limit: two daily limits, except on opening day, but not more than one wood duck.

Geese: daily limit, 4 snow geese, or two snow geese and two of other species—Brant, honkers, cacklers, Hutchins, etc.—but NO Ross geese. Posession limit: one daily limit.

Mudhens, Mergansers: Daily and possession limit: 25.

Doves and pigeons: daily and possession limits, 10.

Prohibitions

No hunting of swans, cranes, shorebirds of any kind, gulls, herons, brown pelicans, rails, grebes, Ross geese. No shotguns larger than 10 gauge; not more than three shells in magazine and chamber, guns must be plugged; no pistols or rifles; no lie decoys; no feeding; no sink boxes; no shooting from power boats, sail boats, automobiles or aircraft. No blinds less than 80 yards apart; not more than two hunters per blind; shooting only on opening and closing days, Saturdays, Sundays, Wednesdays and legal holidays on commercial hunting clubs.

Manhattan Main Street

By CARL HELM

NEW YORK—Our recent surmise that a lot of folks in the "fashionable" Forties and Fifties (east) would welcome a chance to gather and sing hymns on a Sunday morning, provoked skepticism both here and abroad—by which is meant, out there in America.

Of course, as many point out, there *are* churches in the section. But they are either the Park or Fifth Ave. kind, or the old established parish churches—and in neither can a Midwesterner rise up and sing as he did, say, in the M.E. or U.B. church back home—sing loud, inharmoniously, for the joy and need of it.

I know they would, if they had the chance. They sing around the piano in my home on Beekman Hill on Saturday nights — young ones as well as middle-aged ones, and they know the old hymns . . . Then, not long ago, I attended the annual banquet of the Dutch Treat Club—New York's most exclusive gang of editors, writers, artists—"celebrities," and not the night club kind.

About 200 there, in one of the swankest spots on Park Ave., men whose names are book and magazine by-words from coast to coast—and most of them born in the hinterland. Well, after the dinner and speeches, you know what they did? It started out as sort of a self-conscious gag or burlesque—but they all leaned back in their chairs, loosened their collars, and sang hymns . . . good old church and revival songs!

They didn't remember all the words, but they sang and felt warm and friendly and back-home-again . . . Maybe I'm sentimental and nostalgic and all that—but it would seem that a lot of other people are, too!

NOTICE OF ELECTION

For members of the governing board of the Truckee Sanitary District.

NOTICE IS HEREBY GIVEN to the Electors of the Truckee Sanitary District that the annual election of members of the Board of Directors will be held on the 16th day of September, 1946.

The polling place for said electors will be at the office of the Truckee Public Utility District, Truckee, Calif.

The polls will be open between the hours of 1 o'clock PM and 6 o'clock PM.

The officers to conduct said election in the above named Truckee Sanitary District are: Mrs. Winnifred Kamp, Inspector; Mrs. F. A. Titus and Mrs. M. J. McGwinn, Judges.

F. W. GAIENNIE, Secretary of
A29S5-12 Truckee Sanitary District

To Sacramento—
Mr. and Mrs. Donald Hansen and son, Donald, left for Sacramento on Wednesday where Hansen has been transferred by the Shell Oil Company. The family has lived here for several years where they have a number of friends who will regret their leaving.

From Moro Bay—
Mr. and Mrs. Ben Tonini are visiting here for ten days from their home at Moro Bay. Tonini is still employed with a wholesale grocery firm at San Luis Obispo.

Visit Here—
Mrs. C. F. Files and her three sons, Robert, William and Francis, were weekend guests of Mr. and Mrs. E. A. Parker. Mrs. Files is a sister-in-law of Mrs. Parker's.

MY PLACE in the SUN

by DOUG BARRETT

By this time, many of you have met the new high school teacher, Elizabeth Grigsby. If you haven't, you should. She's very pleasant to know. The little woman got to talking with her Sunday and found Miss Grigsby is the daughter of the former Kate Zimmerman, who taught in the high school here in 1912 when Jackson Gregory was principal. Incidentally Miss Grigsby is now occupying the same room at the C. B. White House that her mother did 34 years ago.

A fortnight ago we ran a list of contributors to the emergency food collection for foreign relief as reported by Johnny Ciardella, drive head. He, by unfortunate oversight, left off the name of his No. 1 donor—Robert Buddle of the SP Hotel. Sorry, Bob.

For those who want the current standings of the Centennial queen fracas, here's how they stack up: Annie Gallerani*, 11,200; Benita Mellon, 8430; Carole Brock, 7890,; Peg E Stuart*, 7500; Bette Wheat*, 4700; Amy Lake, 3850; Bobby Jean Dolley, 2170; Joan Pabst, 490; Lois Farran, 480. (* denotes Lake Tahoe belles)

Down the Block: Orlie Sanders with his boot in his hand....Deppitys George DeSoto and Harold Hodson take up a lot of sidewalk abreast....G. T. McGee and F. W. Gaiennie, the sanitary men, talking over a problem....shud auld acquaintance be forgot Benny Tonini and Gus Hofmann were both in town renewing them....Nace Firpo, the missus and the kids really make a nice looking family group.... Truckee's coming ski stars, Johnny Rablin and Charlie Ed Smith gazing wistfully into an overcast sky.

Moving Here—
Mr. and Mrs. James Owens and daughters, Joan and Irene, formerly of Sacramento, are expecting to move into their house at Gateway Park this week. Owens has been manager of the local bank for several months. Joan will enter high school and Irene attends grammar school.

Visited Here—
Mr. and Mrs. G. E. Hofmann visited here briefly on Tuesday.

In City—
Mr. and Mrs. William Meyers attended the Ice Follies in San Francisco during the weekend.

New Comers—
Mr. and Mrs. Vernon Saducchi, formerly of Bakersfield, have bought the N. F. Dolley house at Gateway Park. Saducchi is employed at Tony's Coffee Shop. Mr. and Mrs. Elmer Saducchi, also former residents of the southern California city, arrived here last week and will move into the C. E. Smith home they have purchased. The men are nephews of Dave and John Cabona.

August Anniversary—
Mr. and Mrs. John Gracek observed their wedding anniversary on Saturday, August 24.

From Red Bluff—
Mrs. Harold McRoberts of Red Bluff is visiting her parents, Mr. and Mrs. B. W. Reynolds. Mrs. McRoberts is the former Joyce Reynolds.

From Oakland—
Mr. and Mrs. J. C. Langille of Oakland are guests of their son and daughter in law, Mr. and Mrs. H. T. Langille.

CRAMPTON'S FOOD MARKET, Half mile east of Rainbow Tavern, 19 miles west of Truckee on Highway 40, has a good stock of flour, canned peaches, pears, apricots, fruit cocktail, pork and beans, fruit juices, Campbell's Soups. Spring clothespins, 15c a dozen. tf

Back to School With a Well Packed Lunch

Today's children are the men and women of tomorrow. Their health and ability depend on the proper food nourishment they receive now! It is a responsibility we all share and TONINI'S pledges every effort to share that responsibility with you by offering the best foods that can be had. When you send your youngster off to school, pack his lunch brim-full with food from TONINI'S.

AN APPLE A DAY KEEPS
The Doctor away. Inclue fruit in your youngster's lunch every day for a nutritious, wholesome diet.
